

## Santa Teresa EAA Safety Seminar

This presentations will begin with an introduction to the Flight Risk Assessment Tool (FRAT) for pre-flight risk evaluation of the proposed fight, continue through when to execute a missed approach or a go-around because the approach was not stabilized and conclude with Fly the Aircraft First - what the pilot should always do.

**Directions:** Second Floor of War Eagle Museum

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
